

Introduction

TCCDC is certified to deliver the National Curriculum Training Institutes NCTI's cognitive life skills - 15 programs.

Evidence based practices (EBP) produces a desired outcome, it's measurable and standards based.

Our clients attend weekly classes to complete our program within 30 to 90 days in preparation for Peer to Peer Internship.

Our team of community partners understand the unique hurdles our clients must cross to successfully reintegrate into society. They support our efforts by providing access to services, opportunities for job placement and options for career and life development.

Our ultimate goal is for our clients to develop self confidence and self esteem and to learn how to maximize the tools necessary to reduce the probability of recidivism and to place them into viable **leadership jobs**.
